

**Ocean Ridge Police Department
Inter-Office Memo**

To: Kenneth N. Schenck, Jr., Town Manager

From: Christopher T. Yannuzzi, Chief of Police

Date: February 28, 2012

Subject: Monthly Activity Report: January 2012/New Format

As you know, on January 1st, 2012 the Police Department implemented the full use of the new USA Software Computer-Aided Dispatch/Records Management System. Unlike the old program, the new system allows for the centralized documentation of much more officer activity. As such, you will see that the monthly report is more expansive and the format has changed.

As an example, under the old system the January 2011 Monthly Report indicated we handled 354 Calls for Service (with 26 of those being in Briny Breezes) and that overall, ORPD personnel responded to 4050 calls in 2011. The new system records activity as "CAD Events". As a result, the Police Department handled 925 CAD Events in January 2012; with 59 of the events being in Briny Breezes. At the current rate, it can be expected that we will exceed 12,000 events in 2012.

This does not mean there was/will be a dramatic increase in crime. It simply means that previously, events such as traffic stops, house checks, follow ups to reported incidents, Briny Breezes foot patrols, etc. were undocumented in a single data base. As such, unless an extensive hand-search was done, the officers did not get credit for these and other activities.

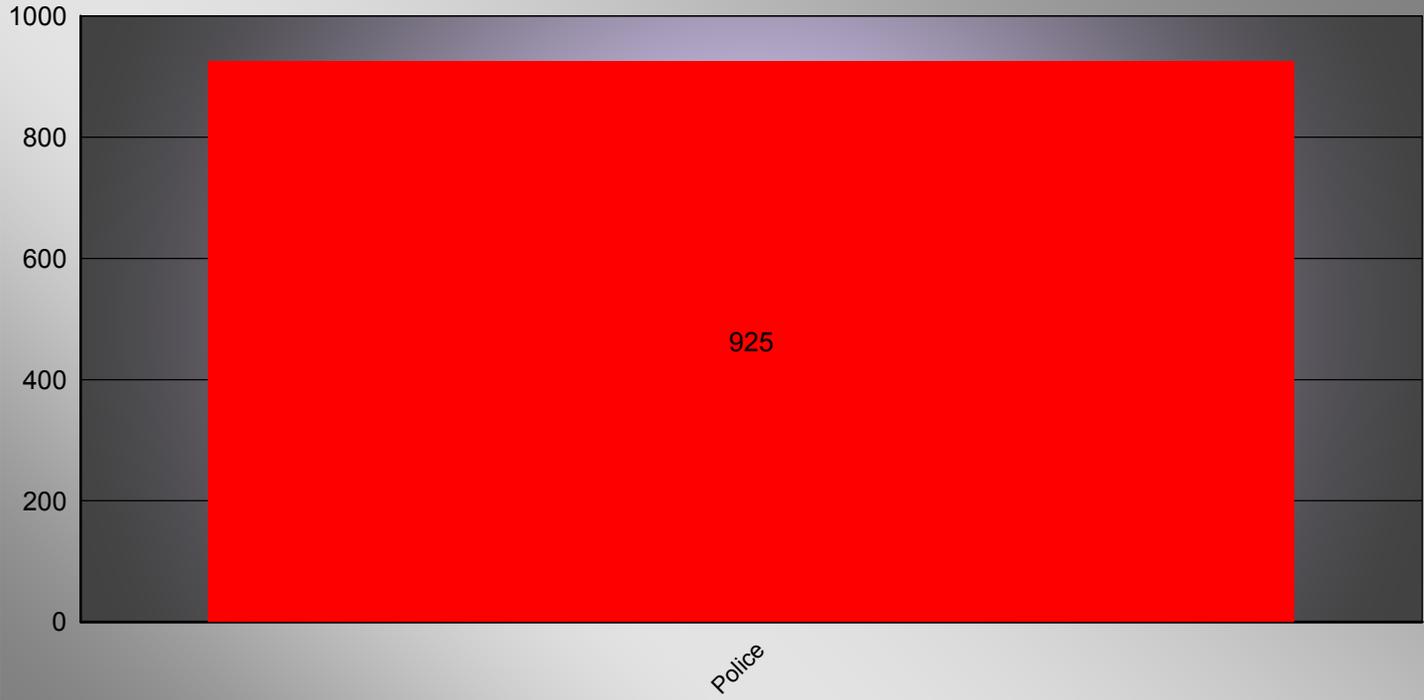

Additionally, you will find that under the new system the activity is also reported based on the Day of the Week and the Hour of the Day; thus assisting in determining trends that may require an adjustment of personnel, etc.

Included in the January 2012 Monthly Report is a separate listing for the activity that occurred in Briny Breezes.

In closing, I want to mention that the system is new and everyone is still learning both the basic and advanced capabilities of the software. As such, it is anticipated that through greater use, much more information will become available for use in planning, scheduling, etc.

Thank you for your continued support!
