**Would you like a free Crime Prevention Survey?**

Often folks ask the police for information about what a citizen can do to make their home and family more secure. A Crime Prevention Survey of your property is one of the best ways to identify potential points of vulnerability. This is just another service provided by your Police Department.

If you are interested in having your home surveyed, please contact Lt. Hal Hutchins at 561-732-8331.

In the meantime, PLEASE remember to activate your alarm system whenever you leave your home; even for a short period of time. Also, install secure locking devices; especially if you have plate glass near the doors. If you own a single-family home, when you leave for vacation, add your name to our Dark House list so that we are aware. Also, notify your neighbors and stop mail & newspaper deliveries. Leave your home with the look that it is "lived in" by setting lights on timers, etc.

If your alarm system is connected directly to the Police Department, post the free-standing sign to alert potential criminals to that fact. The sign is free!

Finally, the need for citizens to report suspicious activity – when it is happening – is essential. Please continue to do so.

Thank You!

**It's not too early for Hurricane Season preparation:**

**Police Department personnel will begin the annual survey of the Town for potential threatening conditions related to trees and vegetation in the utility lines (FPL, AT&T, and Comcast). Should an issue be identified, a letter (sample attached) will be given to the property owner. As indicated, we seek compliance within 14 days. This will help ensure the safety of everyone involved and reduce the negative impact caused by the loss of these utilities.**

**It is hard to believe that it has been 8 years since a major storm hit our area. However, that shouldn't cause us to not take steps to prepare. We live and work in an area where it is a matter of "when" not "if" a storm is going to strike. Please keep in mind that during "Super Storm" Sandy, only 2 small areas of Town lost power; however, both were caused by tree limbs taking down utility lines.**

**Thanks for your cooperation.**

**(Insert Letter: Hurricane Season – Time to trim trees)**

**National Police Week - May 11-17, 2014 and National Peace Officers' Memorial Day – May 15, 2014**

**Included in this Newsletter is a copy of the Proclamation issued by the Mayor and Commission declaring next week as National Police Week and Thursday as National Peace Officers' Memorial Day.**

**These honors were first adopted by President John F. Kennedy and the U.S. Congress in 1962 in recognition of those who protect & serve; especially those who gave the ultimate sacrifice.**

**Since the first recorded death in 1791, almost 20,000 law enforcement officers in the United States have been killed in the line of duty. The names of these dedicated public servants are engraved on the walls of the National Law Enforcement Officers Memorial in Washington, D.C. Four new names of Florida fallen heroes are being added to the National Law Enforcement Officers Memorial this spring, along with 96 other officers killed in 2013 and 186 officers killed in previous years.**

**Please fly your flag at half-mast on Thursday, May 15<sup>th</sup> and take a moment to pause to remember those who protect your freedom.**

Dear Resident:

June 1<sup>st</sup> marks the start of another Hurricane Season! Past severe storms caused tremendous damage in Ocean Ridge; which resulted in the Town Commission taking action to protect our utility lines and poles from similar damage in the future. In addition, FPL, AT&T and Comcast have worked hard to strengthen the entire utility system in our area.

The enacted Ordinance (66-151 (b) (7)) speaks to the required trimming of vegetation and trees located near or under, "...power or other utility lines or facilities..." that are suspended above the ground. Members of your Police Department have begun to conduct a thorough inspection to identify vegetation & trees on your property that are in a position or condition to constitute a threat to our power and utility system.

Therefore, a "Warning Notice" has been issued to advise you of your responsibility to maintain the problem vegetation & trees and directing you to take the appropriate steps to have the items trimmed or removed (keeping in mind, some tree removal may require a permit). We request that threat abatement measures be taken within 14 days of the notice. In addition, this threat reduction must be sustained throughout the entire storm season (June 1<sup>st</sup> thru November 30<sup>th</sup>).

As always, it is our desire to obtain voluntary compliance so as to make the Town safer for all first responders and the citizens we serve. Such corrective action will reduce the recovery time that would follow any storm that impacts our area. However, should it be necessary, follow up enforcement action will be taken by the Police Department.

We are counting on your cooperation because all residents of the Town share the power and utility system and everyone depends upon it for our mutual health, safety, and well being.

Thank you in advance,

Christopher T. Yannuzzi  
Chief of Police

## 25 Ways to make kids safer

### At Home

1. Teach children their full name, address and home telephone number. Make sure they know your full name and how to reach you at work or on your cellphone.
2. Teach children how and when to call **911**, and make sure they have a trusted adult to call if they're scared or have an emergency.
3. Instruct children to keep doors locked and not to open doors to talk to anyone when they are home alone.
4. Choose babysitters with care. Ask children about their experiences and listen carefully to their responses.

### Out and About

5. Walk or drive the route to and from school with children, pointing out landmarks and safe places to go if they need help.
6. Remind children not to play alone outside, to take a friend whenever they walk or bike to school and to stay with a group when going on outings.
7. Take children on a walking tour of the neighborhood. Tell them whose homes they may visit without you.
8. Teach children to ask permission before leaving home.

9. Remind children it is **OK** to say no to anything making them feel scared, uncomfortable or confused. Teach children to tell you if anything or anyone makes them feel this way.
10. Teach children to never approach a vehicle, occupied or not, unless they are accompanied by a parent or other trusted adult.
11. Caution children never to accept a ride from anyone unless you have told them it is **OK** to do so in each instance.
12. Teach children to check in with you if there is a change of plans.
13. Establish a central, easy-to-locate spot during family outings to meet should you get separated.
14. Teach children how to locate help in public places. Identify people they can ask for help such as uniformed law enforcement/security guards and store clerks with nametags.
15. Help children learn to recognize and avoid potential risks so they can address them if they happen.
16. Teach children if anyone tries to grab them, they should make a scene and make every effort to get away by kicking, screaming and resisting.

### Online

17. Continually dialogue with children about online safety.
18. Keep the computer in a high-traffic area of your home. Monitor and establish rules concerning your child's online activities and cellphone use.
19. Be aware of the type of access your child has to the Internet at school, libraries or friends' homes.
20. Surf the Internet with your children and let them show you what they like to do online.
21. Know who is connecting with your children online and set limits for online communications including social networking, instant messaging, emailing, online gaming and using webcams.
22. Use privacy settings on social networking sites to limit contact with unknown users, and make sure their screen names do not reveal too much information.
23. Caution children not to post revealing information or inappropriate photos of themselves or their friends online.
24. Encourage children to tell you if anything they encounter online makes them feel sad, scared or confused.
25. Learn about the Internet. Visit [www.Netsmartz.org](http://www.Netsmartz.org) for more information about Internet safety.

## 25 formas de mejorar la seguridad de los niños

### En casa

1. Enseñe a sus hijos sus nombres completos, dirección y el número de teléfono de la casa. Asegúrese de que ellos sepan el nombre completo de usted y cómo localizarlo en el trabajo o en su celular.
2. Enseñe a sus hijos cómo y cuándo llamar al 911, y asegúrese de que tengan un adulto de confianza a quien puedan llamar si están asustados o tienen una emergencia.
3. Enseñe a sus hijos a mantener las puertas bajo llave y a no abrirlas para hablar con nadie cuando estén solos en la casa.
4. Sea cuidadoso al momento de elegir a las niñeras. Pregunte a sus hijos acerca de su experiencia y escuche detenidamente sus respuestas.

### Fuera de casa

5. Haga el trayecto desde y hacia la escuela con sus hijos, a pie o en automóvil, señalando puntos de referencia y lugares seguros para acudir si necesitan ayuda.
6. Recuérdeles a sus hijos que no jueguen afuera solos, que lleven a un amigo cuando caminen o vayan en bicicleta a la escuela y que permanezcan en grupo durante las salidas.
7. Lleve a sus hijos a hacer un recorrido a pie por el vecindario. Indíqueles a la casa de quienes pueden ir de visita sin usted.
8. Enseñe a sus hijos que deben pedir permiso antes de salir la casa.

9. Recuérdeles a sus hijos que **está bien** decir no a cualquier cosa que les haga sentir tristeza, miedo o confusión. Enseñe a sus hijos para que le cuenten si algo o alguien los hace sentir de esta forma.
10. Enseñe a sus hijos que nunca deben acercarse a un vehículo, ocupado o no, a menos que estén acompañados por un padre u otro adulto de confianza.

11. Advierta a sus hijos que nunca acepten una invitación de viajar en auto de ninguna persona a menos que usted les haya dicho que **está bien** hacerlo en cada caso.
12. Enseñe a sus hijos para que consulten con usted si hay un cambio de planes.

13. Establezca un punto central, fácil de ubicar durante las salidas familiares, para reunirse en caso de que se separen.

14. Enseñe a sus hijos cómo encontrar ayuda en los lugares públicos. Identifique las personas a quienes ellos pueden pedir ayuda, como los agentes uniformados de orden público, los guardias de seguridad y los empleados de las tiendas que tengan una identificación.

15. Ayude a sus hijos para que aprendan a reconocer y evitar los riesgos potenciales a fin de que puedan tratarlos en caso de que ocurran.

16. Enseñe a sus hijos que si alguien trata de agarrarlos, ellos deben hacer un escándalo y hacer todo lo posible para alejarse ya sea pateando, gritando y resistiéndose.

### En Línea

17. Dialogue en forma continua con sus hijos acerca de la seguridad en línea.
18. Colocar la computadora en un lugar muy transitado de su casa. Supervise y establezca reglas con respecto a las actividades por Internet y el uso de teléfono celular de su hijo.
19. Conozca el tipo de acceso que su hijo tiene a Internet en la escuela, bibliotecas o en casa de amigos.

20. Navegue por Internet con sus hijos y permita que le muestren qué les gusta hacer cuando están en línea.

21. Sepa quién se está conectando con sus hijos en línea y fije límites para las comunicaciones en el Internet, incluidas las redes sociales, mensajes instantáneos, correos electrónicos, juegos por Internet y cámaras web.

22. Use configuraciones de privacidad en los sitios de redes sociales para limitar el contacto con usuarios desconocidos, y asegúrese de que los nombres de usuario de los niños no revelen demasiada información acerca de ellos.

23. Advierta a sus hijos que no publiquen en línea información reveladora o fotos inapropiadas de sí mismos o de sus amigos.

24. Empoderar a sus hijos para que le cuenten si cualquier cosa que hayan encontrado en línea les hace sentir tristeza, miedo o confusión.

25. Aprender sobre Internet. Visite [www.NetSmartz.org](http://www.NetSmartz.org) para obtener más información sobre la seguridad en el Internet.
