**Fraudulent Tax Returns:**

As the Tax season approaches, the need to protect your personal information becomes even more critical. The submission of fraudulent Tax Returns has been a problem over the past several years; and there is no reason to think that victimization will not continue to occur.

Since this is a highly technical and confidential investigative process, local law enforcement has been instructed to turn all of these cases over to the IRS. They have the expertise and access to the submitted documents. In addition, if the case warrants, they can prosecute at the Federal level.

Should you discover that a Tax Return has been filed fraudulently in your name, contact the IRS directly at 800-908-4490. You may also obtain additional information via their website: [www.irs.gov](http://www.irs.gov)

**Consumer Alert – Donation Overpayment Scam:**

The Internet Crime Complaint Center has received numerous complaints from businesses, charitable organizations, schools, universities, health-related organizations, and non-profit organizations reporting an online donation scheme.

The complaints report subjects who used stolen credit cards to donate thousands of dollars to these organizations. Once the donation is made, the “donor” immediately requests the donation back, but credited to a different card. They claim to have mistakenly donated to the wrong cause or in an amount that was too much. (i.e.: entered \$5,000 instead of \$500).

Fortunately, many of the charities discovered the scam prior to returning any of the funds.

**Police Department wins equipment via the “Click It or Ticket” (CIOT) campaign:**

As a result of the participation of the Ocean Ridge Police Department in the Southeast Florida Law Enforcement Liaison program, Ofc. Stang/ORPD was selected from among 23 other agencies to receive a self-contained lighting system for use at traffic enforcement/crime scene incidents. The FoxFury Nomad 360-degree LED system will provide portable lighting to illuminate the area and offer greater protection to personnel working such a scene.

Charles Kane, our local “CIOT” Challenge Coordinator for the Institute of Police Technology & Management, notified us of our winning of this tool; which is valued at over \$2,300.

Congratulations to all of the officers who participated in the “Click It or Ticket” program.
