ORPD Re-Certified as Dispatch Training Center:

On July 24, 2014 we received information from the Florida Department of Health that the Ocean Ridge Police Department was approved as a 911 Public Safety Telecommunicator Training Facility. This represents our second such certification; which authorizes in-house training of our Police Dispatchers. As a result, newly hired Dispatchers will not need to attend the required 232-hour course at Palm Beach State College; thus saving that expense and the associated loss of time.

Stop on Red, Kids Ahead

FloridaSchoolBusSafety.gov

- A one day survey, conducted by the Florida Department of Education in April 2012, showed that more than 21,000 drivers illegally passed a stopped school bus.
- Each illegal pass-by could result in a tragic injury or fatality of a student. The inconvenience of an extra few seconds spent waiting for a stopped bus is insignificant compared to the loss of a child's life.
- Florida Motor Vehicles Laws require that motorists stop upon approaching any school bus which displays its flashing red lights and has its stop signs extended.
- Section 316.172, F.S. states that: Drivers who improperly pass a stopped school bus are subject to a citation, a fine for \$271 and four points on their driver's license.

**Ocean Ridge Police Department
Inter-Office Memo**

To: Christopher T. Yannuzzi, Chief of Police
From: Lieutenant Hal C. Hutchins
Date: August 10, 2014
Subject: **Commendation / Officer David Kurz**

Chief Christopher T. Yannuzzi
Lieutenant Hal C. Hutchins
Lieutenant Robert...

On July 31, 2014 the Officers of the Ocean Ridge Police Department responded to the report of a burglary to an occupied residence. As a result of the initial investigation, video evidence was received from the victim. Part of that video evidence was converted to still photographs. Information about the crime and still pictures were disseminated to the public and Law Enforcement in a simultaneous manner.

Upon review of the information on Friday August 1, 2014, Officer Kurz recognized the suspect and vehicle photo as being related to a Delray Beach Police Department case from a bulletin he received earlier. He immediately provided me with this information, as well as stating he believed he recognized the suspect and vehicle. Officer Kurz, advised he could not remember exactly where he had seen the suspect at the time. A short time later I received information of a similar nature from Manalapan Police Department, and was able to contact Det. Oscar Leon of the Delray Beach Police Department regarding a request to identify he had issued with the similar suspect and vehicle. Det. Leon provided that he received a tip from a subject identifying himself as the father of the suspect in his bulletin, naming Marcantonio Sacco as the owner of the vehicle. I then recalled Officer Kurz having contact with Sacco on a previous medical call in Town. I then requested Officer Kurz view the full video of the crime provided by the victim.

While viewing the video, I advised Officer Kurz of the possible suspect and he then stated "that's the guy I had at Colonial Ridge we sent to the hospital", referring to a medical call for an incoherent subject several months ago.

On August 2, 2014, Officer Kurz was dispatched to a suspicious vehicle at 110 Bonito Dr., after a report from a resident of the vehicle from the ORPD issued bulletin being parked in the driveway of a vacant property.

On arrival, Officer Kurz immediately recognized the vehicle and suspect from the video of the crime he had viewed the day before. In addition, upon seeing the suspect he recognized him as Marcantonio Sacco, from his previous encounter. Officer Kurz also advised me that he observed the clothing, shoes and backpack used in the commission of the crime, recorded on video, in plain view sitting in the vehicle with Sacco.

Based upon his on-scene observations and recall of details of the crime scene video for July 31, 2014, Officer Kurz determined he had probable cause to believe that Sacco was in fact the subject in the video, and responsible for committing burglary to the occupied dwelling. Officer Kurz therefore, arrested Sacco and removed him from the Town, eliminating his ability to commit further criminal acts.

I hereby Commend Officer Kurz for his dedication and actions in this event. His attention to detail, recognition of the suspect from the information presented, and the immediate response to his discovery, have removed a criminal from the streets of the Town. Since the arrest of the suspect, it has been discovered that Sacco is a suspect in more than 8 other crimes throughout the South County area and that he is the subject of investigation of multiple Law Enforcement agencies in Palm Beach County.

Mrs. Amy McDonald
107 Bonito Dr.
Ocean Ridge, FL 33435

Dear Mrs. McDonald,

I wanted to take a moment to extend a well-deserved "Thank You" on behalf of not only the Police Department, but all of the citizens of Ocean Ridge. Your actions on August 2, 2014 in alerting Dispatch to your observations of a suspicious vehicle resulted in the arrest of a Burglary suspect.

Specifically, on July 31, 2014 a residential burglary occurred on Harbour Drive South. As a part of the ensuing investigation, Lt. Hal Hutchins sent out an email broadcast to Ocean Ridge residents in which he described a suspect vehicle. On August 2, you observed a vehicle matching the description in the driveway of 110 Bonito Drive. Responding Officers were able to locate the suspect and seize the vehicle; undoubtedly thwarting additional crimes. Based on video surveillance footage from the original scene, the subject was charged with that burglary and taken to the Palm Beach County Jail.

In order for any Police Department to provide superior service, there must be support from the citizenry. Your call that day is a prime example of that cooperative spirit which started a sequence of events resulting in the apprehension of a felon. Once again the idea of "See Something, Say Something" was brought to fruition.

Sincerely,

Christopher T. Yannuzzi
Chief of Police
