* **"Replace"**: Since 2010, each new vehicle purchased for Patrol use has come with an extended 5-year Warranty. As such, the "life" of these vehicles can be extended to 4 years, as any major repair would be covered.

** **"Engine Miles"**: Per Automotive Industry Standards, idle time causes engine wear equivalent to being driven. Per Ford, that equivalent is 33 miles per hour, which is reflected in this report.

"Flipping" has nothing to do with Acrobatics:

Most crime is simply based on opportunity. As the above eight (8) Burglary/Auto incidents will attest, such was the case when these vehicles were left unlocked. No locked vehicles in the area were entered.

"Flipping" is the term for simply pulling on car handles as the criminal walks down the street or thru a parking lot. Like pulling on a slot machine, if the door opens they win! Anything of value is taken.

Please lock your car at all times. In addition, if you see someone acting suspicious, call the Police immediately!

New Police Dispatcher begins work:

Kady Southworth, a former Florida Highway Patrol Dispatcher, was hired on June 23, 2014. She comes to the Town of Ocean Ridge fully certified and with 5 years of experience as a Public Safety Telecommunicator. We look forward to providing the necessary training for her to function independently soon.

"Distraction Thefts":

Residents are advised to be on the alert for criminals who practice "Distraction Theft". In these cases, someone will approach the resident at their home under the pretense of doing some work or providing some service at the residence or in the area. Then, while the resident is being distracted by the original person, another individual will enter the home to steal cash, jewelry, watches, etc. Depending on the circumstances, the victim may not immediately detect the loss of the stolen items.

Examples of such acts from around Palm Beach County include:

- A workman advising the resident of some problem outside with landscaping/electrical wiring/cable TV/telephone/etc. The workman encourages the resident to step outside to see the problem and discuss the solution. While they are speaking, an accomplice enters the home to take property.

- A workman poses as an employee of a utility company who is there to perform some "emergency" work. He enters the home to discuss repairs and the accomplice sneaks in to commit the theft.

As mentioned in previous newsletters, the Police Department cautions all residents and their household staff to be very cautious about strangers who come to their home and not to allow themselves to be distracted. Legitimate workman should have some form of identification and usually wear uniforms that clearly indicate the company name. Vehicles used by legitimate workman will normally have lettering/markings to properly identify the business. The absence of any of these should increase your suspicion regarding the validity of the situation.

If there is any doubt as to the legitimacy of anyone coming to the house or seen in the neighborhood, you are encouraged to call the Ocean Ridge Police Department at 561-732-8331. Officers will respond to assist in identifying the individuals and confirming the true nature of their presence.

The attached flyer provides additional information on how to deal with ANY UNSOLICITED VISITOR. Please utilize these simple steps to reduce the likelihood of being victimized and to protect yourself, your property and your neighborhood.

On-line Shopping thieves:

Several incidents have occurred in Boca Raton wherein the seller of an item on the Internet meets with a potential buyer, who then runs off with the item. The Boca Raton Police Department (BRPD) is warning sellers who use Craigslist, etc. of this scam and suggesting the seller meet the buyer in the Police Department lobby or at least in their parking lot.

In order to avoid our residents from becoming similarly victimized, the Ocean Ridge Police Department (ORPD) is suggesting the same arrangements be made. Like BRPD, our Town Hall/Police Department Complex is under 24-hour video surveillance and the ORPD lobby is open 24/7; with the Police Dispatcher also on-duty during this time.

Such an arrangement would certainly discourage a would-be thief from taking advantage of an otherwise vulnerable victim.
