**Police Activity:**

Here is a listing of significant crime/code enforcement/suspicious activity reported to ORPD in March 2014 for both Ocean Ridge and Briny Breezes:

<b><u>Type of Incident</u></b>	<b><u>Report Date</u></b>	<b><u>Time Frame</u></b>	<b><u>Location</u></b>	<b><u>Synopsis</u></b>
Theft/Arrest by other Agency	03/05/2014	1:00 PM	6500 blk N. Ocean Blvd.	Landscaper's equipment was stolen. Palm Beach PD investigated a similar incident the same day and recovered the property in our case.
Recovered Drugs	03/16/2014	7:20 AM	6400 blk N. Ocean Blvd.	Resident located a package of suspected cocaine that had washed up on the beach.
Burglary Attempt	03/24/2014	12:50 PM	100 blk Beachway Dr. North	Police responded to an alarm activation and found damage to doors from attempted forced entry. Neighbor's security camera captured photo of suspect vehicle. Further investigation found SUV to be stolen from Ft. Lauderdale and used in a Lantana burglary. Vehicle and suspect located on 3/25/14 via License Plate Recognition cameras in Lighthouse Point.
Criminal Mischief	03/25/2014	03/21/2014 3:00 PM	5600 blk Old Ocean Blvd.	Unknown person cut the cable to a buoy mounted on private property on the beach.
Loitering & Prowling/Arrest	03/29/2014	6:11 AM	Sabal Island Dr.	Resident's son observed 2 suspicious persons on private property. When Officers arrived, subjects fled. A search failed to locate them; however, following surveillance, 1 subject was caught and turned over to the Palm Beach County Jail.

**SUCCESS of "See Something, Say Something:**

In several previous editions of this newsletter, the need for citizens to report suspicious activity – when it is happening – has been requested. There has been an increase of such reporting and I especially wanted to point to the Loitering & Prowling arrest mentioned above as an example.

The suspect that was arrested was not cooperative so we have yet to determine the true motive. However, the caller saw something that was unusual and immediately notified the Police. The result, no one was victimized and a criminal went to jail.

Please continue to make these calls! Thank You!

**Water Safety:**

For the third time since January, ORPD Officers have been called to assist in the rescue/recovery of a person presumed drowned while swimming in the ocean. Although we continue to work well with our law enforcement partners, the area fire/rescue personnel and the Palm Beach County Parks Department during such emergencies, these three events seem to have a common theme: swimming in unprotected areas or while conditions are dangerous.

You are encouraged to swim in areas where the lifeguard is on-duty. In addition, please monitor and be guided by the color-coded warning flags.

Swimming/surfing is especially dangerous north of the jetty at the mouth of the Boynton Inlet; as the current along the shore runs primarily south – pushing swimmers/surfers onto the rocks or into the area of the Sand Transfer plant. Likewise, activity should be restricted to day light hours.

**It's not too early for Hurricane Season preparation:**

Police Department personnel will begin the annual survey of the Town for potential threatening conditions related to trees and vegetation in the utility lines (FPL, AT&T, and Comcast). Should an issue be identified, a letter (sample attached) will be given to the property owner. As indicated, we seek compliance within 14 days. This will help ensure the safety of everyone involved and reduce the negative impact caused by the loss of these utilities.

It is hard to believe that it has been 8 years since a major storm hit our area. However, that shouldn't cause us to not take steps to prepare. We live and work in an area where it is a matter of "when" not "if" a storm is going to strike. Please keep in mind that during "Super Storm" Sandy, only 2 small areas of Town lost power; however, both were caused by tree limbs taking down utility lines.

Thanks for your cooperation.

Dear Resident:

June 1<sup>st</sup> marks the start of another Hurricane Season! Past severe storms caused tremendous damage in Ocean Ridge; which resulted in the Town Commission taking action to protect our utility lines and poles from similar damage in the future. In addition, FPL, AT&T and Comcast have worked hard to strengthen the entire utility system in our area.

The enacted Ordinance (66-151 (b) (7)) speaks to the required trimming of vegetation and trees located near or under, "...power or other utility lines or facilities..." that are suspended above the ground. This includes the individual services lines directly attached to your house.

Members of your Police Department have begun to conduct a thorough inspection to identify vegetation & trees on your property that are in a position or condition to constitute a threat to our power and utility system. Therefore, a "Warning Notice" has been issued to advise you of your responsibility to maintain the problem vegetation & trees and directing you to take the appropriate steps to have the items trimmed or removed (keeping in mind, some tree removal may require a permit). We request that threat abatement measures be taken within 14 days of the notice. In addition, this threat reduction must be sustained throughout the entire storm season (June 1<sup>st</sup> thru November 30<sup>th</sup>).

As always, it is our desire to obtain voluntary compliance so as to make the Town safer for all first responders and the citizens we serve. Such corrective action will reduce the recovery time that would follow any storm that impacts our area. However, should it be necessary, follow up enforcement action will be taken by the Police Department.

We are counting on your cooperation because all residents of the Town share the power and utility system and everyone depends upon it for our mutual health, safety, and well being.

Thank you in advance,

Christopher T. Yannuzzi  
Chief of Police
