School's Out!

As the summer approaches, more youth will be out and about enjoying their recess. Please be cautious while driving and keep an extra eye out for the children. Included in this Newsletter is information from the Florida Department of Transportation with additional tips.

Likewise, your summer vacation plans may include visiting Amusement or Theme Parks. To improve child safety, attached please find a flyer from the National Center for Missing & Exploited Children.

Have a great time!

Free Document Shredding:

Included in this Newsletter is a flyer announcing a free service being offered to shred old, unwanted documents on Friday, June 20th from 9:00-Noon. This is a crime prevention opportunity designed to properly dispose of these items in order to reduce the potential for Identity Theft.

We hope you will take advantage of this service. See you then!

Hurricane Season - 2014:

It's that time again! June 1st – November 30th of each year is Hurricane Season. Please find enclosed some information that we hope you will find beneficial; yet, optimistically, will never need.

It is hard to believe that it has been over 8 years since a major storm hit our area. However, that shouldn't cause us to not take steps to prepare. We live and work in an area where it is a matter of "when" not "if" a storm is going to strike.

Thanks for your cooperation and continued support.

Would you like a free Crime Prevention Survey?

Often folks ask the police for information about what a citizen can do to make their home and family more secure. A Crime Prevention Survey of your property is one of the best ways to identify potential points of vulnerability. This is just another service provided by your Police Department.

If you are interested in having your home surveyed, please contact Lt. Hal Hutchins at 561-732-8331.

In the meantime, PLEASE remember to activate your alarm system whenever you leave your home; even for a short period of time. Also, install secure locking devices; especially if you have plate glass near the doors. If you own a single-family home, when you leave for vacation, add your name to our Dark House list so that we are aware. Also, notify your neighbors and stop mail & newspaper deliveries. Leave your home with the look that it is "lived in" by setting lights on timers, etc.

If your alarm system is connected directly to the Police Department, post the free-standing sign to alert potential criminals to that fact. The sign is free!

Finally, the need for citizens to report suspicious activity – when it is happening – is essential. Please continue to do so.

Thank You!

FREE DOCUMENT SHREDDING

**Friday, June 20, 2014
9:00AM to 12:00PM**

Ocean Ridge Town Hall · 6450 N. Ocean Blvd. · Rear Parking Lot

The Ocean Ridge Police Department, in partnership with CINTAS Document Management, will be hosting FREE document shredding on Friday, June 20th from 9:00AM—12:00PM in the rear parking lot of Town Hall.

This event is open to Ocean Ridge and Briny Breezes residents only — photo identification is required. Residents are limited to shredding of up to three office storage boxes of personal documents.

The date of this event was selected in conjunction with various Federal Income Tax Deadlines. This will allow an opportunity for residents to discard older, unnecessary personal documents while filing away items from 2013/14. Frequent readers of the Ocean Ridge Tidings e-newsletter are aware of the often listed crimes of Identity Theft and Fraud that are reported monthly. Some of these cases are the result of paperwork (i.e. bank statements & checks, bills, credit cards & receipts, etc.) being improperly disposed of that falls into the hands of criminals.

Please remove all papers from three ring binder type folders. File folders, staples, and paper clips do not need to be removed.

The event is on a first-come, first-served basis and no pre-registration is required. If you have any questions, please call Chief Chris Yannuzzi at 561-732-8331.

HURRICANE SEASON 2014

Dear Residents:

Effective June 1st, the 2014 Hurricane Season officially began. Collectively, we will prepare and remain on alert until the season's end on November 30th.

Like you, the members of the Police Department are hoping that no storm impacts our area. However, we are ready to perform our duty to protect and serve should the need arise. To that end, all Town employees have been instructed to have a plan in place to safeguard their families and secure their homes and possessions so they can devote their full attention to their duties. It is equally important that they practice that plan and have a backup – a “Plan B” – should the need arise. Likewise, we hope that you have done the same.

In the interest of providing up-to-date information to our residents, allow me to advise you of the conditions that may be present in and around Ocean Ridge in the event of a Hurricane or Tropical Storm:

TERMS: Recently, several changes have been made to the definition of the common terms used to describe certain storm conditions. These changes were due to the improved accuracy in predicting the direction and characteristics of an approaching storm. Therefore, if announced, it is especially important for you to understand and respond to these situations:

- A HURRICANE /TROPICAL STORM WATCH will now be issued 48 hours in advance.
- A HURRICANE/TROPICAL STORM WARNING will be issued 36 hours in advance.

These Watches and Warnings provide detailed information regarding specific threats, such as flash floods and tornados.

Since Ocean Ridge is situated on a barrier island, it is in one of the most vulnerable locations. There is always the possibility of a storm surge from the east forcing a wall of water over the dunes and/or the waters of the Intracoastal Waterway rising and causing flooding from the west. Despite the fact that the Palm Beach County Department of Emergency Management has eliminated the mandate to evacuate for Category 1 storms, it is strongly recommended that you evacuate to the mainland when any HURRICANE WARNING is announced.

Arrangements should be made well in advance of a storm to stay with friends or relatives on the mainland - west of I-95 - if you plan on remaining in the area. As an alternative, you should consider lodging in a sturdy hotel/motel. If the latter is your choice, a reservation should be made in advance of a HURRICANE WATCH, even though it would be several hours before you would be ready to evacuate. There will be a large number of people seeking lodging and you may be unable to find accommodations if you wait until the time of evacuation. Likewise, advanced preparation and registration needs to be made for those persons with special care needs and for your pets.

Three potential public shelters, as designated by the Palm Beach County Division of Emergency Management and the Red Cross, are listed here. It is highly recommended that if you are going to use a shelter that you listen to local radio and television to determine which of the shelters are open. The conditions at a shelter will not be ideal and you are expected to bring your own supplies to make your stay as comfortable as possible. Again, you should make arrangements to stay with friends or at a hotel/motel well outside the area and to only use a shelter as a last resort.

The 3 closest designated shelters are:

Park Vista High School
7900 Jog Road
Boynton Beach, FL

Atlantic High School
2455 West Atlantic Avenue
Delray Beach, FL

Boynton Beach High School
4975 Park Ridge Blvd.
Boynton Beach, FL

MANDATORY SHELTER RESTRICTIONS: Pets, alcohol, weapons and smoking are not allowed in public hurricane shelters.

SPECIAL NEEDS: Residents requiring special medical needs should pre-register with the County Emergency Operations Center at 561-712-6400 and have physician authorization. This Special Needs Program is maintained by Palm Beach County and is limited and based on need and established criteria.

A pet-friendly shelter is available for Palm Beach County residents who reside in an evacuation zone or in a mobile home. Pre-registration with Animal Care and Control is required. Call 561-233-1266 or you may register online at:

<http://www.pbcgov.com/publicsafety/animalcare/petfriendlyshelterform.htm>

Additional information regarding pets can be found at:

<http://www.pbcgov.com/publicsafety/animalcare/>

Pet Friendly Shelter: West Boynton Recreation Center
6000 Northtree Blvd.
Boynton Beach, FL. (561) 233-1266

WHEN EVACUATING: Take blankets, pillows, food, water, flashlights, rain gear, several changes of clothing, medicine and prescription drugs, a portable radio, photo ID/passport for all family members, photocopies of important documents (insurance policies, etc. in a waterproof container) and reading material. You should plan to be away from home for 3 – 7 days.

Storm shutters should be in place and all loose objects secured well in advance of the evacuation. Residents should shut off propane gas tanks, main electrical breakers, and all sprinkler systems.

There are two evacuation routes, one via the Woolbright Road Bridge and the other over the Ocean Avenue Bridge. You should use the one nearest your residence.

ATTENTION BOAT OWNERS: The bridges will be raised and lowered as required for the flow of boat traffic until the wind reaches 35 mph, and then they will be secured in a closed position and bridge tenders will not be present during the storm. If you intend on relocating your boat, you should do so at the first Hurricane Watch notice of the storm while the bridges are still operable.

TOWN HALL CLOSED: Although the Town Hall/Police Department complex was built to withstand a Category 3 storm, it is not a shelter and, if the order is given to evacuate the island, no employees will remain in the building. All telephones will be forwarded to a remote location.

All Police Officers will be scheduled to remain on patrol in Town until wind conditions or flooding requires them to seek shelter. The officers shall return to patrol immediately following the storm and rigid surveillance will be implemented to prevent looting until residents are authorized and able to return. Tight security will be maintained with checkpoints being established at bridges and Town limits by our officers. Make certain that you have identification with you, as no one will be permitted to return to the island following the storm unless they are residents.

While we are hopeful there will never be another hurricane, we feel that it is necessary for you to be informed in order to protect yourselves and your possessions as much as possible.

Additional hurricane information is available on the Town's website at: http://www.oceanridgeflorida.com/Hurricane/hurricane_information.htm. You may also check for a recorded message at the "Ocean Ridge Information Line" at 561-738-ORFL (6735). For those who have registered their email address with Town Hall, information will be sent out via blast emails also.

Another resource is the Palm Beach County Hurricane Survival Guide which is available on the Department of Emergency Management website: http://www.co.palm-beach.fl.us/dem/hurricane/pdf/hurricane_guide.pdf

Thank you for your understanding and cooperation,

Christopher T. Yannuzzi,
