Holiday Scams:

- During the holiday season, many criminals will attempt to take advantage of those who are moved by the spirit of giving. Did you know that the Federal Trade Commission has helpful hints on ways to determine the legitimacy of the charity you are thinking of sending a donation?

Here is a link that provides information on how you can confirm that the organization is legal and authentic: <http://www.consumer.ftc.gov/blog/say-no-thanks-charity-cheats>

- Another opportunity to be victimized is via the Internet. Malware and viruses can be easily attached to email that looks legitimate. The opening of email from an unknown/unreliable source or downloading of an electronic greeting card or other attachment could allow access to your most prized possession – your identity.

- Going a a cruise? Here is a new twist that should be avoided. Some travelers pulled up to the dockside porters to unload their luggage. The porter offered to park their vehicle for them AND at a reduced rate (paid in advance). Upon their return from the cruise, they found their car in the lot, BUT the parking attendant had no knowledge of the “pre-paid, reduced rate”. As such, they had to pay the full rate and the “porter” could not be found.

- Please avoid opening unsolicited emails. The safest button to push on your computer is “Delete”.

Child Safety Tips for the Holidays:

Courtesy of the National Center for Missing and Exploited Children, included in this month's newsletter is a page outlining several tips to increase child safety during the holidays eason.

Alcohol and Driving don't mix:

As the 2 Drunk Driving arrests listed in November's activity will attest, the holiday season creates a potential to over-indulge in holiday "spirits"!

There are alternatives to driving under the influence. Appoint a "DD" (Designated Driver) or call for a taxi. You may also use the annual, free service offered through the AAA "Tow-to-Go" program at http://autoclubsouth.aaa.com/safety/tow_to_go.aspx or (855) 2-TOW-2-GO or (855) 286-9246. This service is available Dec 24, 2014 through Jan 1, 2015.

Remember, "Over the Limit, Under Arrest!" and "Buzzed" Driving is "Drunk" Driving.

Please don't drink and drive!

On behalf of all of the members of the Ocean Ridge Police Department,

I wish you a healthy and safe Holiday Season and a Happy New Year!

KNOW THE RULES...

SAFETY TIPS FOR THE HOLIDAYS

1. When in a public facility always supervise your children, and **ALWAYS** accompany young children to the restroom. Make certain your children know to stay with you at all times while shopping and always **CHECK FIRST** with you or a trusted adult before they go anywhere. It is important to know where your children are and who they are with at all times.
2. If older children become separated from you while holiday shopping, have them meet you in a predesignated spot such as the sales counter of the store you were in or the mall's information booth. For younger children teach them to look for people who may be sources of help within the store or mall such as a uniformed law-enforcement or security officer, store salesperson with a nametag, people with nametags who are working in the information booth, or mother with children. They should **NEVER** leave the store/mall or go to the parking lot to look for you or your vehicle.
3. Make an outing to a mall a "teachable" experience in which children practice checking with you; using pay telephones; locating the adults who may be able to help if they need assistance; and, for older children, going to the restroom with a friend. Practice having them **CHECK FIRST** with you before going anywhere within a mall or store. Remember, allowing your children to wear clothing or carry items in public on which their name is displayed may bring about unwelcome attention from inappropriate people looking for a way to start a conversation with your children.
4. Parents and guardians should not leave children alone at public facilities such as video arcades, movie theaters, or playgrounds as a convenient "babysitter" while they are holiday shopping. Never leave children in toy or specialty stores expecting store personnel to supervise and care for your children. They are not trained in this role, and it is not a function of their employment.
5. If you allow your older children to go to the mall or other activities without you, they need to **TAKE A FRIEND**. It's more fun and much safer. Older children should check-in with you on a regular basis while they are out. Make certain a clear plan is in place to pick them up including where, what time, and what to do in case of a change in plans.
6. Nothing takes the place of your supervision when you are in a public place with your children. If you are going holiday shopping and feel you will be distracted, make other arrangements for the care of your children. It's easy to get distracted with all the sights, sounds, and crowds of holiday shopping, so make certain your children stay with you at all times.
