* **"Replace"**: Since 2010, each new vehicle purchased for Patrol use has come with an extended 5-year Warranty. As such, the "life" of these vehicles can be extended to 4 years; as any major repair would be covered.

** **"Engine Miles"**: Per Automotive Industry Standards, idle time causes engine wear equivalent to being driven. Per Ford, that equivalent is 33 miles per hour, which is reflected in this report.

When was the last time you tested your burglar and/or fire alarm system?

As we enter the Holiday Season, one of the best protections for you, your family and your possessions is a fully functional, activated alarm system.

Regardless of whether or not your system is connected directly to the Ocean Ridge Police Department or it alerts a private monitoring service, annual testing is essential to confirm that it is in proper working order. This is especially important if you have altered your telephone service by installing products such as Comcast’s Triple-Play or Xfinity, AT&T’s U-verse, Magic Jack, Vonage or any other Voice over IP device. Such services MAY require the installation of additional equipment, and the associated added expense, to insure your alarm system remains fully functional.

It just takes a moment to call whoever monitors your system and let them know that you want to conduct a test. In a matter of a few minutes, you will have determined the status of your system. The resulting peace of mind will allow you to focus on the many other activities associated with the holidays.

ALSO, this is a great time to perform the annual task of changing the batteries in the smoke detectors throughout your home.

On behalf of the men and women of the Ocean Ridge Police Department, I wish you a happy and safe holiday season.

Thank you for your attention!

10 Tips for Smart Holiday Shopping online (Courtesy of the Federal Trade Commission):

- Check out the seller: If you’re unfamiliar with the site, do independent research.
 - Read return policies: Date of purchase usually prevails, not the date of gift giving.
 - Know what you’re getting: “Knock Offs” are counterfeit, that’s why their cheap!
 - Don’t fall for a false email or pop-up! Red Flag – any Unsolicited message
 - Look for signs a site is safe: Is your info going to a secure site?
 - Secure your computer: Install anti-virus and anti-spy software and keep it updated.
 - Consider how you’ll pay: Some credit cards extend warranty & delivery protection.
 - Know the full price and check out incentives: Don’t forget, many sites are offering FREE Shipping & Handling this year!
 - Keep a paper trail: Print & Save your online transactions. Get a tracking number.
 - Turn your computer off when finished shopping; and whenever you’re not using it.

Soliciting on the rise:

The annual migration of solicitors has begun! The colder weather in the North has driven these folks to our more temperate climate. As a result, these “entrepreneurs” will be going door-to-door soliciting funds for magazine subscriptions, bogus sports teams (lacrosse, “Irish” soccer, baseball, etc.), and other causes. Likewise, they may be selling products or offering repair services.

The good news is that residents of Ocean Ridge and Briny Breezes have been very good at calling the Police Department to report these visitors and/or suspicious persons. These calls are essential and greatly needed. Keep it up!

Our initial response is to meet with and identify the solicitor, issue first-time violators and their company warnings and, as long as they do not have a warrant, send them on their way. However, re-offenders sometimes require a stronger message, so the issuance of a citation or physical arrest may be needed.

Again, it is important to note that our investigation of some of these individuals/organizations have determined that several of these folks have warrants and/or criminal histories, and their companies have had numerous Better Business Bureau complaints filed against them.

Soliciting without a Permit is a Town Code violation. Properly permitted Solicitors are issued a Town Identification Card and should display/present it. Regardless, please continue to call the Police Department when you encounter or observe suspicious persons.

Thank you for your continued support and assistance!

Improper Activity on the Beach:

The topic of Public vs. Private property boundaries on the beach has been an item on the Town Commission Agenda for several months. While these discussions continue toward resolution, it is very important to confirm that the Ocean Ridge Police Department will continue to respond to any issue; whether that be brought to our attention by a citizen, property owner, self-initiated by an Officer, or whatsoever.

Therefore, it is very important that such incidents continue to be reported. An Officer will respond and, based on the individual circumstances presented, take whatever corrective/enforcement action that can be taken on a case-by-case basis.

Inter-Office Memo**

To: Ofc. Nubia Savino
From: Chief Christopher T. Yannuzzi *Christopher T. Yannuzzi*
Date: November 10, 2014
Subject: Letter of Commendation

On Monday, November 3, 2014 at approximately 3:29PM you observed the suspicious actions of two males as they illegally entered the property of the Ocean Ridge Yacht Club, 5600 N. Ocean Blvd. (ORPD Case 2014-0183).

As a result of your self-initiated actions and investigation, both subjects were arrested for Trespassing. In addition, one subject was found to be in possession of marijuana & drug paraphernalia and was secondarily charged.

When coupled with your law enforcement experience, your patrol and knowledge of this area allowed for an immediate determination that criminal activity was taking place. The willingness of the Homeowner's Association President to participate in prosecution solidified the case.

As a follow up, I was present at their H.O.A. meeting on Thursday, November 7, 2014 and the entire Police Department was praised for our overall response to recent issues at this location.

Therefore, I wish to commend you for your actions. Your dedication to the Town and its residents, and the honor you have brought to this Agency and your profession, is worthy of such recognition.

Dear Mrs. Aaskov,

I received your letter commending Ofc. John Giardino for assisting in the recovery of your dogs. Thank you for taking the time to acknowledge his actions on October 28, 2014 (CAD# 14-60745).

I have provided Ofc. Giardino with a copy of your letter, included it in his Personnel File and posted it for all members of ORPD to see your positive comments. In addition, a copy will become part of the next Commission Agenda.

Hopefully any future contact with us will be as positive.

Again, thank you for taking the time to express your appreciation.

Sincerely,

Christopher T. Yannuzzi,
Chief of Police

Officer John Giardino
Ocean Ridge Police Department
6450 N. Ocean Blvd.
Ocean Ridge, FL 33435

Dear Officer Giardino:

I could say "thank you" a thousand more times but it would not come close to demonstrating the appreciation that is felt for your assistance in the capturing our two dogs on October 28, 2014. To think what the outcome could have been for them, after crossing A1A and running for approximately half an hour, is really frightening.

Your dedication to the search for the dogs is beyond words and will be remembered always.

Sincerely,

A handwritten signature in black ink, appearing to read "Gail Adams Aaskov". The signature is fluid and cursive, with a large loop at the end.
