

Ocean Ridge Tidings

We're Sorry!

Over the last 2 weeks, Town Hall and the Police Department have been having some technical difficulties with our telephone and email systems. The good news is, at no time did this problem impact our ability to receive 9-1-1 calls and, for the most part, everything should be working fine now.

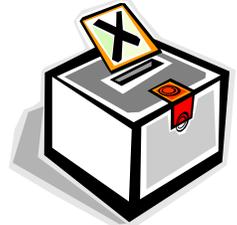

However, some of our residents have indicated that they continue to have difficulty connecting to our website or sending emails to Town employees. If you are unable to connect, you may want to call your Internet Service Provider (Comcast, AOL, etc.) and ask them to flush our domain name (www.oceanridgeflorida.com) from their DNS cache. They may or may not do this for you. If not, please be patient and check back daily as the connection should correct itself within two weeks.

Again, we apologize for the inconvenience and appreciate your patience.

One Election Volunteer Needed

The Town of Ocean Ridge is in need of ONE volunteer to help run the election being held on Tuesday, March 13, 2012. We already have three residents and need one additional person. Our preference is always to have our residents work the election, however, we also invite others to volunteer. This is a wonderful opportunity to serve your community, meet your neighbors, and earn some extra money (\$185).

To work the polls you will be required to be at Town Hall from approximately 6am to 8pm. You may not leave but breakfast and lunch will be provided. Additionally, you will be required to attend a 4 hour training session. There are several dates and locations offered for training. You do not have to live in Ocean Ridge to volunteer but you must be a registered voter.

If you would like to volunteer or know someone who would like to please contact Karen Hancsak, Town Clerk, at 561-732-2635 or email her at khancsak@oceanridgeflorida.com by Monday, February 20, 2012.

Tax-related Identity Fraud

It is tax season and although the deadline for filing has been extended a day (now Monday, April 16th), the criminal element is working overtime to submit an early return – in your name – to beat you to your refund. All the more reason to file early and to take precautions to maintain control of your personal information.

Remember, never give out any information in response to an unsolicited phone call or email. Furthermore, IRS employees will not telephone you to ask for your social security number, date of birth, mother's maiden name, bank or credit card account details, etc. As the saying goes, "Just Say No!" and hang up. The longer you stay on the phone, the greater the possibility that you may inadvertently give away a piece of your most precious asset; your identity.

Here is a link to a recent news story that will help drive home the point:

<http://www.pennlive.com/newsflash/index.ssf/story/tax-related-identity-theft-is-growing-problem/affc44f19fe2f5a51da7d0acb5d106b2>

Unlawful Soliciting Continues

Three more incidents of door-to-door soliciting occurred during the month of January. Although we were not able to make any arrests, we certainly thank those who called the Police Department to report this activity. Please continue to do so.

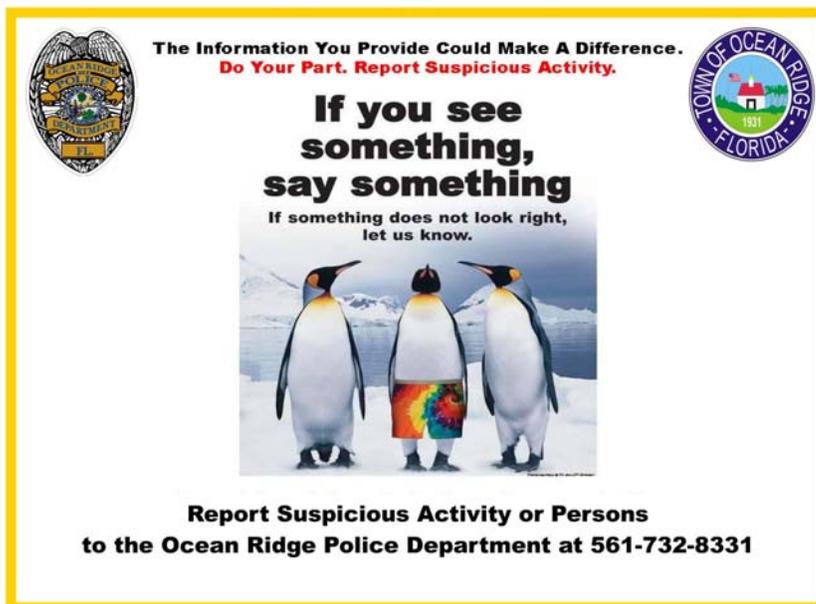

As previously mentioned, these unsolicited "salesmen" of magazines, requests for "charitable" contributions, offers to trim trees, etc. violate Town Code. In addition, these subjects do not have businesses licenses or insurance and some have been found to have a criminal history and/or warrants. In December and February, we had incidents of "Distraction Thefts", where one person engages the homeowner in conversation while an accomplice sneaks into the home and steals jewelry and other valuables.

Your continued support is greatly appreciated.

See Something, Say Something!

Ever since the 9/11 tragedies, citizens have been encouraged to report any unusual activity that they see or otherwise comes to their attention. Although this has been a campaign primarily focused at threats at the national level, the concept holds true in every community, regardless of size.

I've included a small poster that might help drive home the idea. As always, your cooperation and assistance are essential to keeping our community safe.

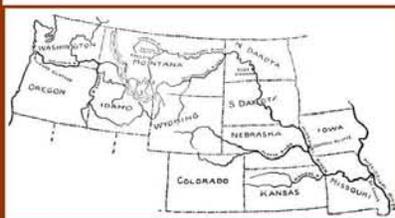

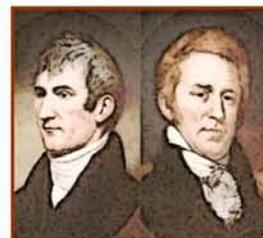

The Garden Club of Ocean Ridge Presents

The Lewis & Clark Trail Presentation

Tuesday, February, 21 at 7:00 P.M. in the Ocean Ridge Town Hall Chambers

The Garden Club of Ocean Ridge invites you and your friends to a talk on The Lewis and Clark Trail on February 21, 2012 at 7:00 P.M. in the Ocean Ridge Town Hall Chambers. The talk will be presented by Florence and Tony Chatowsky, a couple that have hiked and camped along The Trail. They will be bringing examples of the flora and fauna indigenous to the area. The presentation will be accompanied with slides and personal experiences of their historical and interesting trip.

In 1803, President Thomas Jefferson picked Meriwether Lewis to lead an expedition through the Northwest. Lewis was instructed to “explore the Missouri River and such principal streams of it... which may offer the most direct and practical water communication across this continent for the purpose of commerce.” After 2 1/2 years, Lewis and Clark reached Washington State having successfully completed their mission. Their trip was filled with great hardships en route encountering hostile and friendly Indians, wild animals, near starvation and hundreds of waterways traversing through 10 states. The Lewis and Clark Trail today offers families, individuals, and groups exciting hiking and historical adventures in an effort to become better acquainted with this vast country we are proud to call “home”.

We welcome each and everyone of you to be our guests for this wonderful opportunity to hear more about The Trail. ALL ARE WELCOME AND ADMISSION IS FREE.

For questions regarding the event and to RSVP, please call Dana Beach at 561-601-8202 or email at danabeach@me.com.

Energy Rebate Program Saves Energy, Money

Open to Residents, Businesses, HOAs, and Condo Associations

It's shocking that people are still paying more for their monthly electric bill than they should. Especially when there's energy rebates available for up to \$2,100 through the Municipal Energy Conservation Coalition's (MECC) Energy Conservation Rebate Program. The Program, called Energy2Save, is designed to raise awareness and help motivate the community to take action on energy conservation practices that reduce greenhouse gases and energy use.

Eligible residents, businesses, HOAs and condo associations located within the towns of Haverhill and Ocean Ridge, and the City of Atlantis may apply for multiple rebates.

Rebates, and the associated rebate amounts, will be provided for the replacement and installation of the following items:

Programmable Thermostat	Up to \$30
Central Air Conditioning System*	\$2,100
Air Conditioning Ducts	Up to \$154
Ceiling Insulation	Up to \$300
Solar Water Heater	Up to \$1,000
Reflective Roof Coating**	Up to \$325

* Minimum SEER rating of 14 is required.

** Not available in the City of Atlantis.

Applying is Easy

1. Log onto Energy2Save.net to find out if you qualify under the Program's Terms and Conditions.
2. If you do, and funding is still available, complete and submit an application.
3. After your application is approved, you can purchase and install your energy efficient products.
4. After installation, you must submit the required documentation within the appropriate timeframe and your rebate will be mailed to you. It's that easy!

Other restrictions apply, but the minimum requirements include:

- Open to residents own their single-family home, townhouse, or condo; business owners; HOAs, and condo association who reside within the program area where the energy efficient products will be installed.
- Must be a Florida Power and Light (FPL) account holder at the location where the rebated items are being installed.
- Application must be **completed, submitted and approved** before the applicant may purchase the energy efficient products for which they wish to seek a rebate.
- Applicant is solely responsible for the purchase and installation of rebate-eligible products and all related parts, permits, equipment, and adherence to all building codes, deed restrictions, homeowner's association organization restrictions, and other applicable ordinances, codes and restrictions.
- Applications will be processed on a first-come, first-served basis, and are subject to the availability of funds, or until the program is terminated.

And, there is even more great news. Qualifying participants that are approved through the Florida Power & Light Rebate Program may be eligible to receive additional rebate money. However, the combined rebate amounts may not exceed the total cost paid for the products.

Don't delay – funding and time is running out quickly! Visit the Energy2Save.net website, or call 1-888-283-7720, for more information.
