Ocean Ridge, FL 33435-5297

Alert Today, Alive Tomorrow

The Ocean Ridge Police Department has proudly entered into partnership with the University of South Florida and the Florida Department of Transportation to improve pedestrian and bicyclist safety in the towns of Ocean Ridge and Briny Breezes. Under the High Visibility Enforcement Project, the Ocean Ridge Police Department will be conducting targeted enforcement and education until May 2016. The project will begin this month (November 2015) with officers targeting unsafe behaviors of all road users including pedestrians, bicyclists, and motorists. During the beginning phase of this project, officers will be educating road users by distributing information provided through the "Alert Today, Alive Tomorrow" campaign. Upcoming phases will continue providing educational information, but may also result in officers issuing written warnings and/or traffic tickets.
