INFORMATION BULLETIN for RESIDENTS

CAD Number 15-040296 (Suspicious Vehicle)

In the last three to four weeks, I have received information regarding a suspicious vehicle which has been seen in the area of Ridge Blvd and Midlane Road on several occasions.

The vehicle is described as a newer model white in color passenger car (possibly a Nissan or Mazda). The vehicle was last seen in the area on October 4, 2015 at 1am. The vehicle has been seen on several occasion in this same area, but this is the first time it has been seen at this time frame. No additional identifiers were observed.

I was able to identify a similar vehicle that was observed in the area on August 23, 2015. That vehicle is a white in color 2009 Nissan 4DR bearing a Florida Tag. This vehicle is owned by a white male.

If you see this vehicle or any suspicious vehicles that are out of place or do not appear to fit into the neighborhood, please contact the police department at 561-732-8331.
