Welcome to the Town of Ocean Ridge

The Town of Ocean Ridge is a small, beautifully landscaped and diverse seaside community built around the family and civic pride, state of the art public services and infrastructure that enhances the natural beauty of our Town.

The Town is approximately three (3) miles long and is bounded on the south by the Town of Briny Breezes, on the west by the Intra-coastal Waterway and on the east by the Atlantic Ocean and on the north by the Boynton Inlet. Ocean Ridge was incorporated in 1931 as the Town of Boynton Beach and changed its name in 1937 to the Town of Ocean Ridge. It is home to approximately 1,700 permanent residents and peaks to approximately 2,700 in season. Ocean Ridge is predominantly a low density residential land use with several areas that provide for medium multi-family density and the area north of the Boynton Beach Oceanfront Park to the Boynton Inlet as high density. Commercial has been totally phased out by an ordinance adopted in the 1960's. There are a few Public Ownership and Preservation Conservation areas.

Ocean Ridge uses the commission-manager form of government and has two additional boards consisting of a Board of Adjustment, which hears appeals and requests for variances from the Land Development Code and also the Planning & Zoning Commission, which hears petitions for land development district boundary changes, and reviews and recommends major site plans and any changes to the Land Development Code. Ocean Ridge enforces code enforcement through a Special Magistrate when necessary.

The Town currently has 27 employees: 9 Police Officers, 4 Sergeants, 2 Lieutenants, 1 Police Chief, 5 Dispatchers, 2 Maintenance Personnel, and 4 Administrative Personnel.

The Town of Ocean Ridge wishes to welcome you to the area.

To receive alerts, monthly newsletter, and additional information via email please email info@oceanridgeflorida.com and include your name and email address.

Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public records request, do not send electronic mail to this entity. Instead, contact this office by phone or in writing.

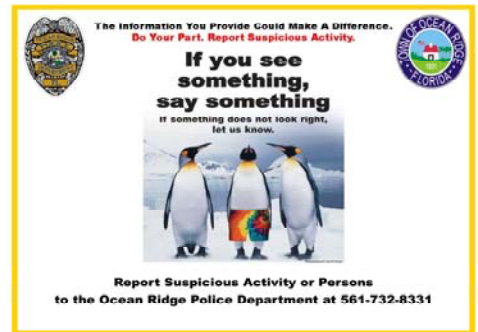

Alarm Monitoring

The Police Department provides an alarm monitoring service for residents that want to have their alarms come directly to the center. The current cost for the service is \$15 per month plus a \$2 alarm user permit fee which is billed annually. Interested residents should call Town Hall to ensure that the alarm company chosen is currently registered with the Police Department.

Although your Police Department also responds to these calls, Ocean Ridge contracts with the Boynton Beach Fire/Rescue Department to handle fire alarms, smoke conditions, fires, and sick/injured persons. Two things have occurred recently that the residents of Ocean Ridge should be aware of: BBF/RD's upgraded insurance rating and their alarm ordinance.

All Fire Departments are rated by the International Organization of Standardization (ISO) on a scale of 1-10; with 1 being the best. Current BBF/RD's rating rose from a 4 to a 2. This is of significance to every homeowner in Town because property insurance premiums are based on the ISO rating. You are encouraged to contact your insurance company to let them know of this change and you may find that your premium will be lowered.

Those of you who have a monitored fire alarm system have probably received a letter from BBF/RD regarding Boynton's Alarm Ordinance. We have received many phone calls asking if the letter and the cost for the alarm permit outlined therein are legitimate. The answer is Yes! A part of the contract between the municipalities required that Ocean Ridge comply with all related Boynton Beach ordinances. Therefore, you are responsible for this one-time fee.

Beach & Vehicle Decals

Beach Decals

Ocean Ridge residents are entitled to purchase parking decals for the Boynton Beach Oceanfront Park. These decals are offered at the same cost as the Boynton Beach residents and can be purchased at the Boynton Beach City Hall located at 100 E. Boynton Beach Blvd. (corner of Boynton Beach Blvd. & Seacrest Blvd) 561-742-6000. City of Boynton Beach hours are 7am-6pm Monday through Thursday. You may also purchase beach passes at the Intracoastal Park Clubhouse at 2240 N. Federal Hwy. Tuesday through Saturday from 10am-2pm. Please bring proof of residency or ownership, including a utility bill with the name of the individual seeking a parking decal, a current tax bill, a property deed or current executed lease agreement. Vehicle registration is also required. Oceanfront Park parking decal is \$50 (at time of this publication). For more information call 561-742-6650.

Vehicle Decals

Free automobile decals are available free of charge at the Ocean Ridge Police Department. These decals, when placed on the rear window of an automobile, identify the vehicles as belonging to an Ocean Ridge resident. The Police Department encourages residents to obtain one of these decals which have an individual number and will identify the vehicle immediately. Homeowners must show proof of residency.

Building Permit Information

The Town handles all building permit applications. If contemplating work, please contact Town Hall to discuss if a permit is required. Any company doing work in Town needs to register at Town Hall. Forms, fee schedule, and more information is available at Town Hall or online at www.oceanridgeflorida.com. Please remember that permits are required to be posted at the permitted job site while permitted work is open. Contractors and sub-contractors are required to submit work license, general liability insurance, and worker's compensation (or exempt) when submitting a permit. If work is done without a permit, additional fees will be imposed. For more information, please call Town Hall at 561-732-2635.

Community Room Reservations

The Town now has a Community Room/Commission Chambers, courtesy of the new Town Hall and Police Facility completed in October 2008, that may be requested for civic uses, sponsored uses, or certain resident uses. Please contact the Clerk's Office for specific information if you are interested in using the facility.

Dark House Program

When you plan to be away from your home for an extended period of time please visit the Police Department and fill out the "Dark House" information form. By doing so it allows police officers to know who is allowed at your residence while you are away and provides contact information in the event of an emergency. Officers will check the exterior premises (single structures only) once every 24-hours while you are away for those that participate in the Dark House Program.

Flooding Information

The Town of Ocean Ridge has been verified as a Class 7 in the National Flood Insurance Program's (NFIP) Community Rating System (CRS). NFIP policies issued or renewed for properties in the Special Flood Hazard Areas (SFHAs) receive a 15% premium discount.

The NFIP is a federal program enabling property owners to purchase insurance protection against losses from flooding. This insurance is designed to provide an insurance alternative to disaster assistance to meet the escalating costs of repairing damage to buildings and their contents caused by floods.

Many people do not realize that homeowner's insurance does not cover losses due to flooding. Informing yourself about flood protection is very important for protecting your family, possessions, and home. Information and links are provided on our website to assist you in increasing your awareness about flood protection. Additionally, the County Library System provides flood protection information, and maintains copies on the flood insurance rate maps for the entire county along with explanations on their use to determine flood zones and elevations. Elevation certificates in the floodplain may be available at Town Hall. Please call or email info@oceanridgeflorida.com to inquire about a particular property.

Garbage & Trash Service

Garbage (household refuse) is picked up on Tuesdays and Fridays. The Town sends invoices annually for the fiscal year which runs from October through September for the garbage and trash pick-up which is separate from the County Tax Assessment disposal fee. If you have a question on an item that needs to be picked up please call Republic Services of Palm Beach at 561-478-9590.

Pick-Up Days and Location:

- Garbage is picked up twice weekly on Tuesday and Friday. Miscellaneous items such as lawn chairs, boxes, hoses, etc. will be picked up on Tuesdays only.
- Yard Trash is picked up once weekly on Tuesday.
- Recycling is picked up once weekly on Friday.
- All pick-ups are curbside.

All garbage shall be properly containerized. All yard trash shall be containerized and/or bundled, free of sand or dirt and not mixed with regular trash. Generally, loose items such as grass clippings and loose small tree trimmings will not be taken unless bundled or containerized. No limbs or items should be longer than six feet (and not heavier than 50 pounds), thus tree limbs should be cut to that maximum length. All recycling materials shall be rinsed and the lids removed and then placed in the recycling bin. Yellow bin: paperback books only, newspapers/magazines/catalogs, unwanted mail, school/office paper, phone books, paper bags, cardboard boxes, beverage cartons, tissue boxes, dry food boxes. Blue bin: Plastic containers, steel cans, aluminum cans, foil, & pie pans, drink boxes, milk & juice cartons, glass bottles & jars.

Earliest time for placing garbage or recycling at curbside is a maximum of 12 hours before the day of the scheduled pick-up. In other words, no sooner than 12:01pm the day before pick-up. Latest time for containers to be removed from curbside is 11:00 pm on the day of the scheduled pick-up. Yard trash shall consist of vegetation only, including, but not limited to grass clippings, bush or tree trimmings, leaves and weeds, and shall be placed near the street no sooner than 36 hours, or the Sunday prior to the regularly scheduled day of collection.

Garbage and trash generated by persons other than residents shall be the responsibility of the person generating it for proper removal. In other words, yard trash (other than normal weekly vegetation) generated by lawn care people or contractors will not generally be picked up by the Town trash contractor, but should be properly removed by the vendor who generated it. Special trash or garbage pick-ups may be arranged with the Town contractor at the expense of the resident. Contact Republic Services at 561-478-9590 to inquire or arrange for a special pick-up.

Enforcement of Chapter 42 will be on fair and reasonable basis to accomplish the intent of the law. However, mutual cooperation and understanding will make enforcement much more palatable. Again, these regulations are designed to protect and enhance the health, welfare and character of residents of the Town. If any problems are encountered, such as a missed collection of trash, please call Town Hall at 561-732-2635.

Pet Tags

Pet tags are available free of charge at the Ocean Ridge Police Department. The tags say “Town of Ocean Ridge” and have the Police Department’s phone number and an identification number assigned to the pet. The pet’s tag number together with the owner’s name, telephone number, and a description of the pet is entered into the Town’s computer system which will save time in identifying a particular animal. Homeowners must show proof of residency to obtain pet tags.

If you would like to report a lost or found animal, call the Ocean Ridge Police Department at 561-731-8331. Give the dispatcher information on the lost/found animal, including description, where it was last seen or found, behavior traits, etc. The dispatcher will then inform the officers-on-duty of the missing animal. Drop off a clear, current picture of the animal to ORPD. Once we receive the picture and description we will send out an email blast to residents and the information will be posted on the Town’s website. Additionally, you may also want to contact Palm Beach County SNAP at 561-233-1282, notify your veterinarian and neighbors on your lost pet.
