To: **Mayor & Commissioners**  
From: **Ken Schenck, Town Manager**  
Re: **Town Update May, 2014**

---

**I am providing you with brief updates on some of the Town's continuing projects and events.**

## **Inlet Cay Island**

We've corrected the problem with the valve at the end of the discharge pipe on Bimini Cove Drive. We've authorized a contractor to insert a sealer to correct the leak in the line.

We'll be advertising for bids to redo Eleuthera Dr. We expect to bid the project in April and plan to put it on the June agenda for discussion and approval.

## **FEMA Flood Maps**

FEMA has accepted our map revisions and will include the revisions in their evaluations. This should lower the flood insurance for some properties. However, since they're revising the overall rates it's impossible to tell what the final results will be.

## **Old Ocean Blvd. Right of Way**

The Resolution for transmittal of the right of way is on the agenda.

## **Beach Crossovers**

The status of this review will be discussed at a workshop on May 6<sup>th</sup>. We've replaced the small sign that shows the distances to the beach parking lots with 2 larger signs that are much more readable.
